10 Reasons to Professionally Stage and Photograph Your Property

Professionally Staged and Photographed Homes

- Look better than other homes on the market
- Spend 73% less time on the market
- Typically sell for more money
- Look better in print and Internet ads
- Receive more foot traffic
- End up on a buyer's "must see" list
- Are viewed by buyers as "well maintained"
- Are "move-in" ready
- Have less reasons for buyers to ask for concessions
- Professionally staged listings "STAND-OUT" in prospective buyers' minds.
